

SLOT TOPPER SIGNS

ULTRA-THIN SIGNAGE

for more info email: ray@creativesurfaces.com
or
lisah@creativesurfaces.com

These 'edge-lit' illuminated sign frames are revolutionary in delivering consistent light distribution in a clean, crisp, ultra-thin frame. They will change the way you look at signs and display promotional materials. They also work great for backlit directional signage.

- 60 1/16" x 19 3/4" x 2 3/4" Sign
- Double Sided
- Changeable Backlit Graphics (Graphic is approx. 55" x 15")
- Swapping Out Graphics is Easy (No Tools Required)
- Edge-lit Plexi-Glass Frame
